

§ 1.7001 Scope and content of filed reports.

(a) Definitions. Terms used in this subpart have the following meanings:

(1) *Facilities-based providers.* Those entities that provide broadband services over their own facilities or over Unbundled Network Elements (UNEs), special access lines, and other leased lines and wireless channels that the entity obtains from a communications service provider and equips as broadband.

(2) *Full broadband lines or wireless channels.* Lines or wireless channels with information carrying capability in excess of 200 Kbps in both directions simultaneously.

(3) *One-way broadband lines or wireless channels.* Lines or wireless channels with information carrying capability in excess of 200 Kbps in at least one direction, but not both.

(4) *Own facilities.* Lines and wireless channels the entity actually owns and facilities that it obtained the right to use from other entities as dark fiber or satellite transponder capacity.

(b) All commercial and government-controlled entities, including but not limited to common carriers and their affiliates (as defined in 47 U.S.C. 153 (1)), cable television companies, Multichannel Multipoint Distribution Service (MMDS/MDS) “wireless cable” carriers, other fixed wireless providers, terrestrial and satellite mobile wireless providers, utilities and others, which are facilities-based providers and are providing at least 250 full or one-way broadband lines or wireless channels in a given state, or provide full or one-way broadband service to at least 250 end-user consumers in a given state, shall file with the Commission a completed FCC Form 477, in accordance with the Commission’s rules and the instructions to the FCC Form 477, for each state in which they exceed this threshold.

(c) Respondents identified in paragraph (b) of this section shall file the FCC Form 477 on diskette or via e-mail, as directed in the instructions to the FCC Form 477. Upon submission of each report, an original certification letter (as contained in the instructions to FCC Form 477) signed by the respon-

sible official shall be mailed to the Commission.

(d) Respondents may make requests for Commission non-disclosure of provider-specific data contained in FCC Form 477 under § 0.459 of this chapter by so indicating on Form 477 at the time that the subject data are submitted. The Commission shall make all decisions regarding non-disclosure of provider-specific information, except that the Chief of the Common Carrier Bureau may release provider-specific information to a state commission, provided that the state commission has protections in place that would preclude disclosure of any confidential information.

(e) Respondents identified in paragraph (b) of this section shall file a revised version of FCC Form 477 if and when they discover a significant error in their filed FCC Form 477. For counts, a difference amounting to 5 percent of the filed number is considered significant. For percentages, a difference of 5 percentage points is considered significant.

(f) Failure to file the FCC Form 477 in accordance with the Commission’s rules and the instructions to the Form 477 may lead to enforcement action pursuant to the Act and any other applicable law.

§ 1.7002 Frequency of reports.

Entities subject to the provisions of § 1.7001 shall file reports semi-annually. Reports shall be filed each year on or before March 1st (reporting data about the status of their broadband deployment as of December 31 of the prior year) and September 1st (reporting data about the status of their broadband deployment as of June 31 of the current year). Entities becoming subject to the provisions of § 1.7001 for the first time within a calendar year shall file data for the reporting period in which they become eligible and semi-annually thereafter. Entities subject to the provisions of § 1.7001 shall make an initial filing of the FCC Form 477 on May 15, 2000 (reporting data about the status of their broadband deployment as of December 31, 1999).
